

MODEL EUROPEAN UNION STRASBOURG 2019

www.meu-strasbourg.org

@meustrasbourg

MEUS is the world's most authentic simulation of the EU's decision-making process taking place in the building of the European Parliament in Strasbourg. The conference brings together 200 highly motivated students and young professionals, giving them the exclusive opportunity to have experience of the functioning of European institutions right on the premises of the European Parliament. For one week, participants have the chance to take on roles of MEPs, Ministers of the Council of the EU, journalists, lobbyists, and interpreters and discuss two controversial, real-life legislative proposals. The conference will be held between 6th and 13th April, 2019 and will have 3 topics in focus: Climate change, protection of consumer rights and European elections.

The conference is not only a unique opportunity to have the first-hand experience of the EU's inner-workings in the very European Parliament but also a great way to develop your debating and public-speaking skills and improve your English! On the top of that, you will have the chance to meet people from all over the world and experience unforgettable week full of great social activities!

The application period will be closed on 13th January. You can apply to become a part of it here: <https://meu-strasbourg.org/r/apply>
